UNTIL WE DO, WE MUST HOLD OUT HOPE THEY'LL ALL TURN UP ALIVE AND UNHARMED.
YOUR OPTIMISM IS ADMIRABLE, MS. COSGROVE, BUT UTTERLY UNREALISTIC.
FOR THE SAKE OF OUR STOCKHOLDERS AND THE FINANCIAL FUTURE OF NIPPON BIO-CORPORATION, WE HAVE NO CHOICE BUT TO CONSIDER TANASE-SAN DEAD AND CHOOSE HIS SUCCESSOR.
WITH A HEAVY HEART, KUWAITI PETROL MUST DO THE SAME.
AS DOES CREDIT CHEVALIER.
G-TECH, TOO. SORRY, KAREN.
SO THAT'S IT? TO HELL WITH THEM, THEN?
BOY, IS YOUR KARMA GONNA BE A BITCH.
THINK TWICE BEFORE CASTING YOUR STONES, MS. COSGROVE. WE ARE NOT THE ONES WHO SENT A DECOY IN OUR STEAD -

WHO ARE THOSE WOMEN THAT HIJACKED US?
WHAT DO THEY WANT?

BUT THERE IS ONE LAST FAVOR I NEED TO ASK.
NAME IT...

SIR! WE'VE GOT AN URGENT INCOMING CALL FROM THE UNITED STATES!
WHAT'S SO *URGENT* ABOUT IT, CORPORAL?

COPY THAT, DIANA. YOU'RE NOT RID OF ME YET.
WHAT ARE YOU WAITING FOR?! GET OUT OF THERE! CHANGE COURSE! DO SOMETHING!
WOULD IF I COULD...
WARNING! T-MINUS 5 SECONDS TO IMPACT...
DIANA, I -

I JUST WANT YOU TO KNOW THAT I ALWAYS HAVE AND I ALWAYS WILL LO-
KSSSH
KIT...?

THE SIGNAL'S DEAD.
HE SAVED US, DIANA. ALL OF US...

WHAT?! WHAT'S HAPPENING?!
HOLY COW! I DON'T BELIEVE IT!

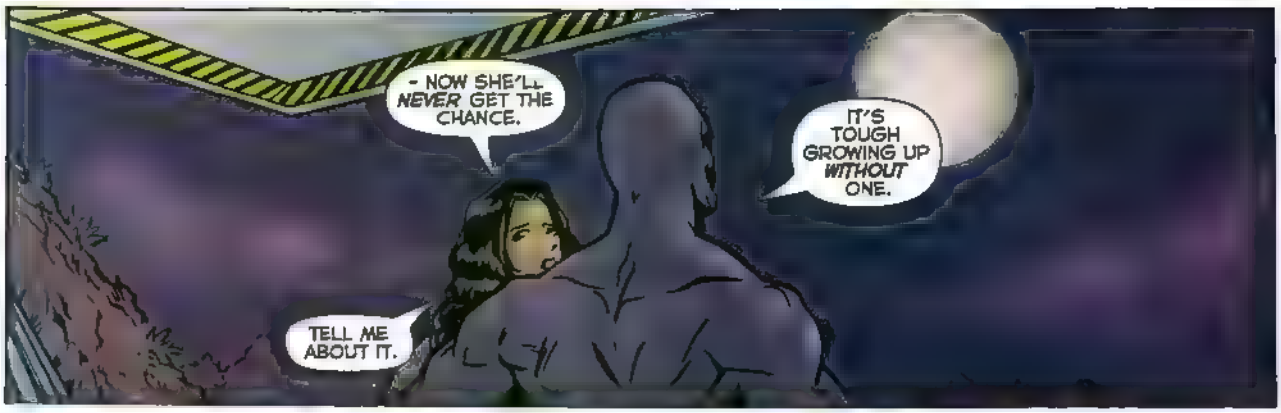
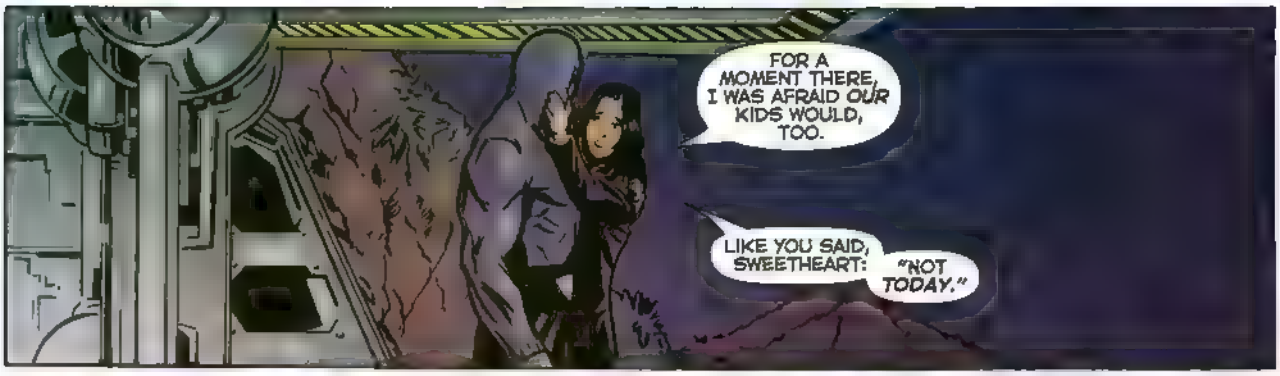
"THE PLANE'S RETURNING TO BASE!"
REMOTE CONTROL ACTIVATED

KIT?
WHAT I WAS GOING TO SAY BEFORE I WAS SO RUDELY INTERRUPTED -
- IS THAT I HAVE AND I ALWAYS WILL LOVE -
:YMMLPH:

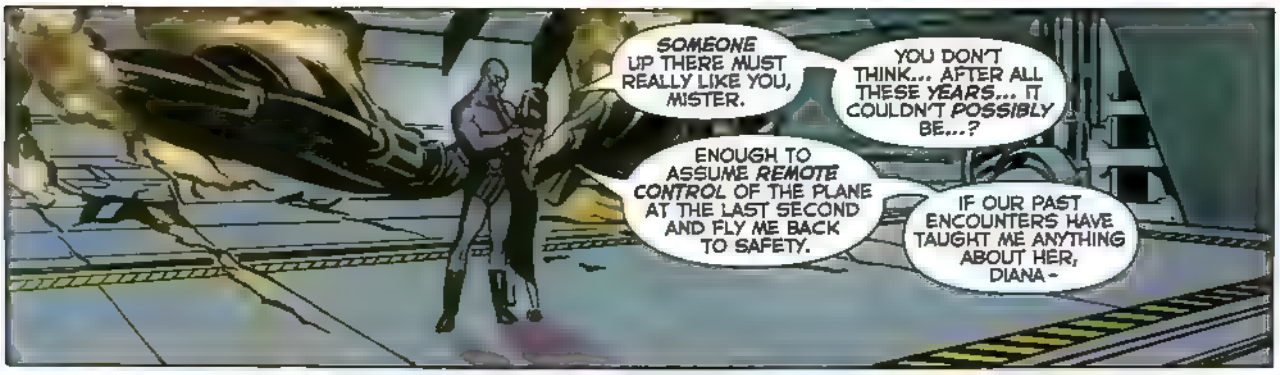
"BELIEVE IT OR NOT, KIT--"
"--I ALMOST FEEL *SORRY* FOR SARA."
"ALL SHE EVER REALLY WANTED WAS TO *KNOW* HER FATHER--"



- NOW SHE'LL NEVER GET THE CHANCE.
IT'S TOUGH GROWING UP WITHOUT ONE.
TELL ME ABOUT IT.

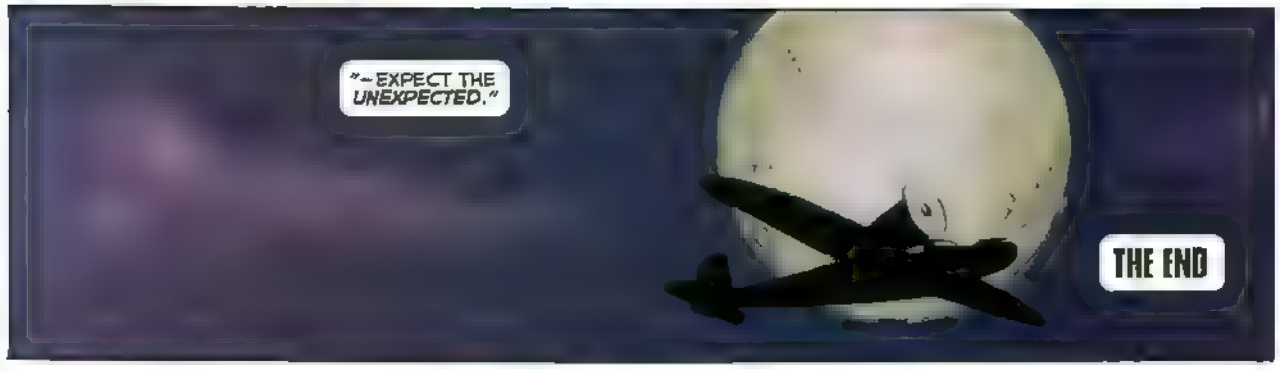


FOR A MOMENT THERE, I WAS AFRAID OUR KIDS WOULD, TOO.
LIKE YOU SAID, SWEETHEART:
"NOT TODAY."



SOMEONE UP THERE MUST REALLY LIKE YOU, MISTER.
YOU DON'T THINK... AFTER ALL THESE YEARS... IT COULDN'T POSSIBLY BE...?
ENOUGH TO ASSUME REMOTE CONTROL OF THE PLANE AT THE LAST SECOND AND FLY ME BACK TO SAFETY.
IF OUR PAST ENCOUNTERS HAVE TAUGHT ME ANYTHING ABOUT HER, DIANA -

"- WHEN IT COMES TO SALA -"



"- EXPECT THE UNEXPECTED."

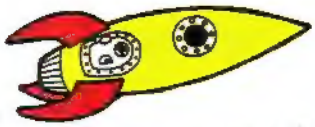
Notes from your



GAL on the MOON

HELP NAME THIS PAGE!
(Details below)

Greetings and Salutations to one and all from your cute Gal on the Moon!

Welcome boys and girls to my first editorial page here at my favorite publisher: Moonstone! My name is Lori G. and I am an editor here and I thought it would be fun to clue everyone in on some of the exciting projects we have coming up! (Now, I am the editor of some of these fine books, BUT I am not biased in the least, really).

First up we have **REVISIONARY!** By Mr. Paul D. Storrie (Gotham Girls) and Mr. EricJ (Rex Mundi). Randall Gordon, TV phychic, has been blessed/cursed with the "gift" of true precognition. Problem is, having visions of the future is no guarantee that you'll live to see it. I have to say that this book will knock your socks off! #1 is available now and #2 is scheduled for August. So, check it out! It is a very fast paced story that will keep you on the edge of your seats. (#1 - APR053020, #2 - JUN053076)

Next up, we have our first western book starring a *female*, I am talking about none-other than **BELLE STARR!** Masterfully written by Mark Ricketts (Iron Man) with stellar artwork by Steve Buccelatto (Batman: Death and the Maidens). Part western, part murder-mystery, but one thing for sure: you boys need to watch out! This gun-toting gal can kick some serious cowboy ass! #1 is available now and #2 will be following fast on its heels in August. (#1 -APR053015, #2 -JUN053069). This is not your average western, definetely some surprises are awaiting you in these pages.

VENGEANCE OF THE MUMMY #1 will be shipping in September and I am really excited about this book too. Well, let's be honest here, I'm excited about all of our books here at Moonstone, BUT the ones I work on hold a special place in my heart, it's just the way it works. This action-packed story is by Justin Gray (Hawkman, Jonah Hex), cool artwork by Zeu, and awesome covers by Kalman Andrasofszky. Hot mummy chick, need we say more? Talk about sexy, this book will really grab your attention, and what a damn exciting read! Issue #2 will follow 2 months later in November.

LAI WAN #1 will be shipping in September also. ANOTHER hot chick brought to you by your friends here at Moonstone, what can I say, we aim to please! We just don't sell books about hot chicks, we sell books about hot chicks that are well written. How about that for a novelty? Lai Wan is written by hard-boiled writer CJ Henderson (author of the Jack Hagee series of novels) with art by newcomer Shawn McGuan. This story is like no other comic you've read. Lai Wan has powers, oh hell yeah, but NOT your run-of-the-mill powers, no siree, we here at Moonstone are always trying NEW and DIFFERENT concepts. Lai Wan is a *phychometric*, a *what* you might ask? Buy the book honey, and find out! More Lai Wan stories are on the way , and let me assure you, you will *definitely* be coming back for more.

Last, but NOT least: we have our very first prose anthology coming out! Wow, what a great line-up of short stories we have for you! **THE NIGHTSTALKER CHRONCILES** is a smorgasbord of Kolchak stories, a little something for everyone! With the all new Kolchak TV show hitting televsions this fall, everyone needs to pick up a copy of this book! I loved each and every story, some true gems are in here I tell ya. We've got Chuck Dixon, we've got Simpsons writer James Bates, we've got Peter David, AND we've got the legendary Max Allan Collins and SO many more! (Psst...here's a special tidbit for ya: there will be a guest appearance by Dark Shadows' very own *Barnabas* Collins in this anthology, how cool is that?)

What else do we have in store for you guys? I'm so glad you asked! Let me tell you aobut some of the other books that we publish. Now, I am not the editor of these books, but that shouldn't stop you from picking them up, they are in the capable hands of our very own Editor-in-Chief Joe Gentile, and my editing-partner-in-crime, Garrett J. Anderson, and even our Art Director Dave Ulanski has his hands in the editorial pool!

CISCO KID #1 (FEB052968) is available NOW and #2 is coming soon (JUN053071) written by Len "gun-smokin" Kody with breath-taking art by Dennis "shoot 'em up" Calero. O'Henry's tragic character kicks serious ass! Action, adventure, guns, and other suprises!

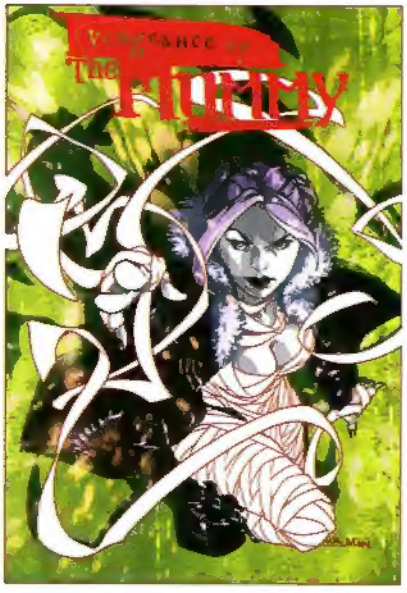
KHAN#1 (MAY052865) Move over Conan, there's another fearless warrior in town! That's right boys and girls, Genghis Khan is making his comic book debut right here at Moonstone written by the one and only Tom Defalco! Woohoo, how about that? With art from the talented Don Hudson!

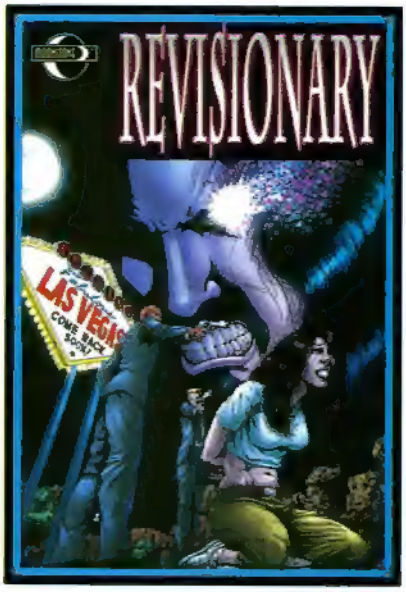
GERONIMO THE LAST APACHE WARRIOR: 25 years into the Apache wars, Geronimo stays free, defiant, and indomitable. Believe me, you do NOT want to mess with this man! Written by Eric Griffin featuring the art of the legendary Chaz Truog (fan-fav Animal Man artist), this graphic novel will be hitting the shelves soon, look for it in September.

And I can't forget one of our flagship titles: **THE PHANTOM** We have LOTS of Phantom issues coming your way this year! We just love this character and can't help ourselves, we want to tell as many great Phantom stories as possible! Issues 2-6 are available for reorder from your favorite local comic shop, and #7, #8, #9, #10, and #11 should all be hitting the shelves one right after the other for the next few months! That's right Phantom fans, that's 5 all NEW issues coming your way SOON! If you haven't picked up an issue of our Phantom book yet, #7 is the perfect jumping on point written by Phantom fan-fav Ben Raab with art by Pat Quinn. These guys are back for a two issue story, so check it out! Issue #9 is also written by Ben Raab with art by Alex Saviuk. Issues #10 and #11 are written by "Mr. Action" himself, Chuck Dixon, with art by "Mr. Detail" EricJ. Just look at that line-up! It is pretty damn impressive, if I don't say so myself!

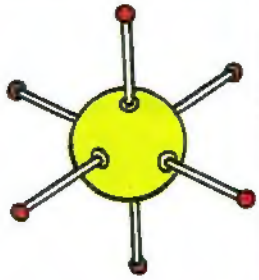
There are even MORE new projects coming out form your friends here at Moonstone, but there are SO many, I can't possbiley cover them all in this column! SO check back here every month to read more about our ultra cool books. You can also check out ALL of our books at **www.moonstonebooks.com**

If you can't find our fine books at your local shop, you can always order them directly from our website, we ship ANYWHERE! Better yet, if you are going to be at the San Diego Comicon or Chicago WizardWorld, be sure to come by our booth. Don't forget to say "hi" and then you can pick up the books right from us! Many of our artists and writers will be on hand to sign books too, so there will be lots happening at the Moonstone booth at the two biggest comic shows of the year!

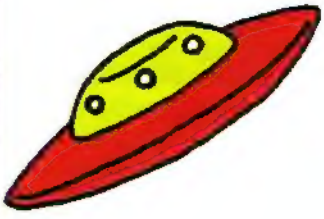




Feel free to write in and tell me what you think of our books, I'd love to hear from you! I might even start printing letters in these pages every month, nothing like a good ol' fashioned letters column! Or you can email me at moonstone_gal@yahoo.com.



See you cats next month! Yes, you read that right, NEXT month; this is a new ongoing feature in our books! And hey, if any of you girls or boys out there can help me think of a catchy name for this column, I will you send you a very special prize! One copy of each of the books that I edit, signed by the writers and artists! SO, send in those suggestions! I will print them all, but only the one I like BEST will WIN the ultra cool prize of FREE signed comcs!!



AND, if all this is NOT enough for you, wait there's more! Each and every month I will be interviewing one of our creators on our website. Check it out at www.moonstonebooks.com, there is a snazzy-dazzy link for my interviews right there on the homepage.
